System for searching parts used in pumps

- 1 Searching for a part code and a control number

Plant name	AAA
Equipment number	PU-114A
Part name	impeller

Search

110

Search result

Part code	Part name	Material	Number of the parts	Control number	Amount in stock
CIC01-2945	Impeller40x25 20 NC	SCS14	1	AA-11	

- 2 Searching for pumps including a common part

Part code	CIC01-2945
-----------	------------

Search

Control number	AA-111
----------------	--------

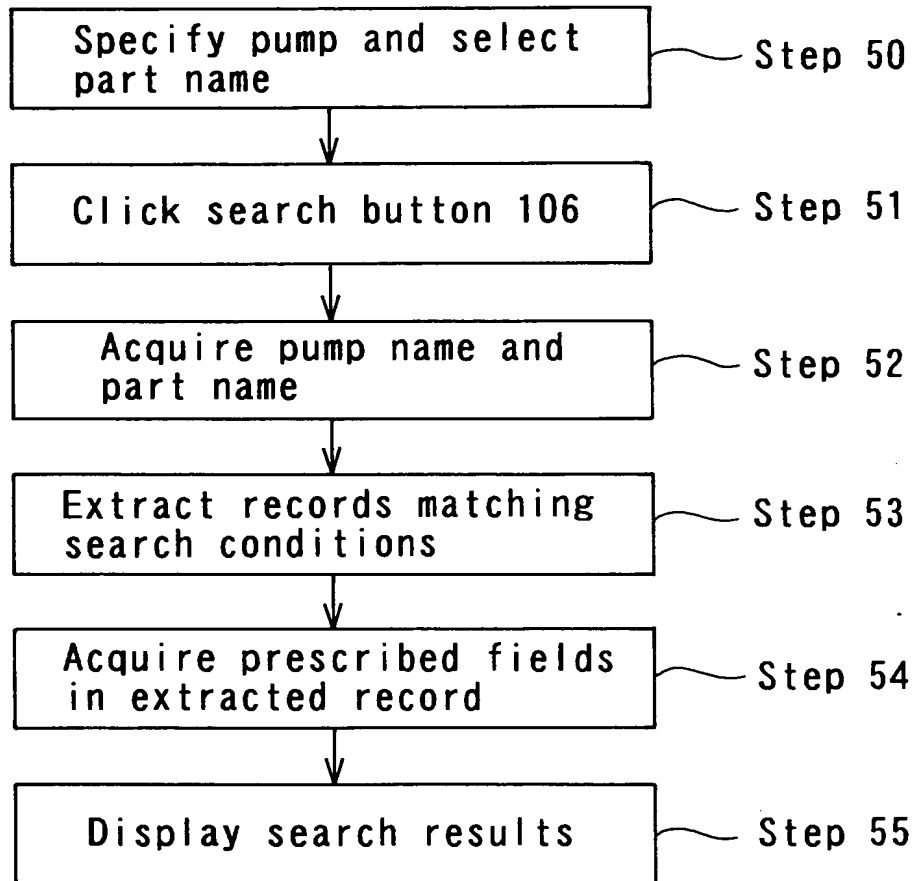

Search

- 3 Create a table showing all components of a pump
